

# S-Sul AMS

American Plant Food Corp  
P.O. Box 584  
Galena Park TX 77547  
(713) 675-2231

Advantages of Using Sprayable Ammonium Sulfate on tough, perennial weeds:

- ✓ Speeds action of burndown herbicide.
- ✓ Improves kill with burndown herbicide.
- ✓ Insures translocation of herbicide to rhizomes.

## Control of mature Johnsongrass with Roundup and Roundup + AMS, Burleson Co., TX

Bars with the same letter within an evaluation date are not significantly different.
